

# mullet

[Brian Wiprud]

**WHY SO CAMERA SHY?** Ah, the lowly mullet [a.k.a. the goatfish], with its distinctive small mouth and feeble teeth...but obviously not *EVERY* man's trash fish. **BRIAN WIPRUD**, Brooklyn, NY *nets the feisty devil* after a vicious fight. Country: *N/A*. River: *N/A*. Fly Type: *N/A*. Many thanks from the distillery to Brian's family for stashing the negative, virtually **guaranteeing** THE MACALLAN will flow in perpetuity.
